SUMMARY

I am Ajinkya Gajendra Pachade, a detail-oriented fresher with expertise in Python frameworks like Django and Flask, along with skills in SQL, automation, and manual testing. I hold a B.Sc. in Computer Science and an MCA, complemented by practical experience gained during my internship at Ctronics Infotech Pvt. Ltd. I am eager to contribute my skills to a dynamic organization while continuing to grow professionally.

INTERNSHIPS

Python Full-Stack Developer Intern

Ctronics Infotech Pvt. Ltd.

- **Developed** and maintained full-stack web applications in **Banking Management System** using **Python** for optimal performance

- **Implemented** scalable back-end solutions, boosting application performance by 25% and ensuring seamless operations
- **Optimized** database queries, reducing response time by 20% and improving overall efficiency by 15%
- **Designed** and developed RESTful APIs, ensuring seamless integration and enhanced application functionality

EDUCATION

Master of Computer Application

Sep 2024

Degree College of Physical Education HVPM

Amravati

CGPA : 7.32

Bachelor of Science-(CS)

Aug 2022

Shri Shivaji Arts, Commerce and Science College

Akot

Percentage : 78.40

TECHNICAL SKILLS

Programming Languages: Python

Web Development :HTML, CSS, JavaScript,

Web Framework : Flask, Django

RDBMS : SQL

Automation Testing

Manual Testing

UNIX Commands

Tools : MS (Word, PowerPoint , Excel, Power BI)

Libraries: Numpy, Pandas

KEY SKILLS

Strong analytical and Problem solving skills

Critical thinking

Collaboration skills

Teamwork

Strong Communication skills

CERTIFICATIONS/TRAINING

- Certified in **Business Intelligence using Power BI**
- Certified in **Internet of Things**

PROJECTS

Banking Management System

- **Developed** web-based **Bank Management System (BMS)** to streamline payments for financial institutions and fiscal services
- **Implemented** analytical tools in **BMS**, enabling review and approval of budgets, compensation, and outflows
